SanDisk Ultra® Dual Drive m3.0

Flash drive for Android™ phones

Highlights

- Easily transfer content between OTG-enabled Android™ devices and computers
- Retractable design with micro-USB and USB 3.0 connectors
- Up to 256GB* instant storage for Android™ smartphones and tablets
- Super-fast transfer speeds at up to 150MB/s from drive to computer*
- SanDisk® Memory Zone app (available on Google Play™) lets you easily manage files on your smartphone or tablet²

The SanDisk Ultra® Dual Drive m3.0 makes it easy to transfer content from your phone to your computer. With a micro-USB connector on one end and a USB 3.0 connector on the other, the drive lets you move content easily between all your devices—from your Android™ smartphone or tablet to your laptop, PC or Mac computer¹. The flash drive for your Android devices includes the SanDisk Memory Zone app² (available on Google Play™) for automatic backup and easy file and media management.

SanDisk®
a Western Digital brand
